Risk Factors

Investing in our common stock involves risk. See the risk factors described in our Annual Report on Form 10-K for our most recent fiscal year, which is incorporated by reference in this prospectus. Also, these risk factors are updated from time to time in our Quarterly Reports on Form 10-Q, the most recent of which are also incorporated by reference in this prospectus. Before making an investment decision, you should carefully consider these risks as well as other information we include or incorporate by reference in this prospectus. These risks could materially affect our business, results of operations or financial condition and cause the value of our common stock to decline. You could lose all or part of your investment.

The following describes and constitutes the Plan, as in effect on the date of this prospectus.

[REDACTED]

Purpose of The Plan

The purpose of the Plan is to provide common stockholders with a convenient and economical method to automatically reinvest their cash dividends in shares of our common stock without paying transaction or processing fees and to make optional cash payments to purchase additional shares of our common stock. The Plan is intended to benefit long-term investors who want to increase their investment in our common stock. We intend to use the net proceeds from the sale of newly-issued shares of our common stock or treasury stock offered hereby for general corporate purposes.

Shares can be purchased by check or through automatic withdrawal from your bank account.

- You can make optional cash investments by sending a check, payable to the Plan Administrator, and a completed Transaction Request Form (found on the bottom part of your Account Statement or on-line — see Schedule II for “Contact and Transaction Information”). Shares purchased pursuant to a check may not be sold or withdrawn from the Plan for a period of 14 days from the purchase date of the shares. A fee will be assessed for a check that is returned for insufficient funds (see Schedule I for “Plan Service Fees”). Funds held pending investment will be held without interest. Checks not received in time for the next Investment Date will be held without interest until the next succeeding Investment Date. DO NOT SEND CASH OR MONEY.

□

For the purposes of determining whether investments are within the above limitations, all Plan accounts which U. S. Steel believes to be under common control or management or to have common ultimate beneficial ownership may be aggregated. Unless U. S. Steel has determined that reinvestment of dividends and investment of optional cash investments for each such account would be consistent with the purposes of the Plan, U. S. Steel will have the right to aggregate all such accounts and to return, without interest, within 10 days of receipt, any amounts in excess of the investment limitations applicable to a single Plan account received in respect of all such accounts.

□

Optional cash investments in excess of \$20,000 per month may be made only pursuant to a written Waiver of Limitation authorized by U. S. Steel for the total amount submitted. A signed copy of the written approval must be received by the Plan Administrator along with any payment to which this Waiver of Limitation applies. Also, different rules apply to optional cash investments exceeding the Plan limits when a Discount (as defined below) is in effect (see "Purchases Exceeding Plan Limits — Discount in Effect" in the Plan Document).

Requests for waiver of the \$20,000 limitation on reinvestment of dividends and other questions concerning waivers should be directed to the Plan Administrator.

(b) all purchases in excess of Plan limits when no Discount (as defined below) is rcha

Optional cash investments will be made on the Investment Date, less the Discount.

Administrator will use reinvested dividends up to the amount specified in a signed waiver to facilitate the purchase of shares of U. S. Steel common stock on the relevant dividend payment date.

Stock required to meet the requirements of the Plan when a Discount is in effect will be issued directly by U. S. Steel.

Your price per share for optional cash investments will be the average of the daily high and low sales prices of U. S. Steel common stock on the NYSE Composite on the Investment Date, less the Discount.

Your price per share for dividend reinvestment will be the average of the daily high and low sales prices of U. S. Steel common stock on the NYSE Composite on the relevant dividend payment date, less the Discount.

Shares purchased from U. S. Steel will be purchased on the Investment Date determined by the Plan Administrator, which will usually be a Friday.

request that the Plan Administrator hold the payment without interest for up to the next three succeeding Investment Dates (a Waiver is only good for up to four Investment Dates). Each time a payment is held over for the next Investment Date it will be deemed to be a new optional cash investment with a Waiver limit equal to the amount held over for the next Investment Date and only the portion exceeding the Plan limit will be subject to the next Threshold Price.

Sale of Shares

□

You can sell any number of shares in your Plan account by notifying the Plan Administrator (see Schedule II for “Contact and Transaction Information”). The Plan Administrator will endeavor to arrange sales daily, provided that it has received notice of your intention to sell no later than 12:00 noon (Central Time). If for any reason the Plan Administrator cannot facilitate the sale of your shares on a given day, the Plan Administrator will endeavor to arrange for the sale of the shares on the next day that its office and the NYSE are open. The sale price will be the weighted average price of all Plan shares sold on that sale date for Plan participants. You will receive the proceeds of the sale less (i) any applicable fee (see Schedule I for “Plan Service Fees”) and (ii) any required tax withholdings.

YOU WILL NOT BE ABLE TO PRECISELY TIME YOUR SALES THROUGH THE PLAN AND WILL BEAR THE MARKET RISK ASSOCIATED WITH FLUCTUATIONS IN THE PRICE OF U. S. STEEL COMMON STOCK. That is, if you send in a request to sell shares, it is possible that the market price of U. S. Steel common stock could go down or up before your shares are sold. In addition, you will not earn interest on a sales transaction.

You can choose to sell your shares through a stockbroker of your choice, in which case you should request a certificate or a book-entry transfer of your Plan shares from the Plan Administrator. Allow two weeks for delivery of a physical certificate. (See “Issuance of Certificates” on page 14.)

Issuer

U. S. Steel, as the Issuer, will make determinations from time to time respecting the following:

- The Plan Administrator,
- The Discount, if any, applied to the purchase of shares (from zero to three percent),
- The source of the shares purchased (whether obtained in the market or from treasury stock or newly-issued shares),
- Whether to waive any Plan limits in connection with optional cash investments,
- The rules and regulations to facilitate the administration of the Plan, and
- Any other matter not handled by the Plan Administrator.

Safekeeping of Your Stock Certificates and Book Entry

Any participant in the Plan may use the Plan's "safekeeping" service to deposit U. S. Steel common stock certificates, whether or not dividends are reinvested. Safekeeping is beneficial because you no longer bear the risk and cost associated with the loss, theft, or destruction of stock certificates.

With safekeeping, you have the option of reinvesting all, a portion or none of your dividends. You may also take advantage of the sale of shares feature of the Plan. If you decide you no longer want to use the safekeeping service, a certificate will be issued upon request. (See "Issuance of Certificates" on page 14.)

To use the safekeeping service, send your certificates to the Plan Administrator by registered mail with written instructions to deposit them for safekeeping. At the time of mailing, the shares should be insured for approximately 2 percent of the value of the shares. Do not endorse the certificates or complete the assignment section. The address of the current Plan Administrator is in Schedule II, attached hereto.

Your shares of U. S. Steel common stock that are held by the Plan Administrator will be maintained in your Plan account for safekeeping in book entry form. You will receive a quarterly statement detailing the status of your holdings.

Shares held by the Plan Administrator may take as long as two weeks to be certificated and mailed to you after our receipt of notice to do so. **THIS MEANS SALES OF HELD SHARES ARE SUBJECT TO RISKS ASSOCIATED WITH CHANGES IN THE MARKET PRICE DURING EITHER (A) THE PERIOD REQUIRED TO CERTIFICATE AND DELIVER SHARES, FOR SALES BY YOU, OR (B) THE PERIOD REQUIRED FOR U. S. STEEL TO SELL YOUR SHARES** (see "Sale of Shares — Timing and Control," on page 10).

Gifts, Transfers and Pledges of Shares

- Submitting an optional cash investment on behalf of an existing participant in the Plan in an amount not less than \$100 nor more than \$20,000; or
- Transferring shares from your Plan account to the recipient of your choice (minimum of five shares to each new Plan account).

You may transfer shares to new or existing stockholders. The Plan Administrator will automatically assign to such transferred shares full dividend reinvestment status. New participants and existing participants, at their discretion, may elect another investment option by providing written notice to the Plan Administrator. If you participate in dividend reinvestment and you request between the ex-dividend date and the dividend record date to either (a) transfer all of your shares or (b) make a partial sale and transfer the balance of your shares, the processing of your request may be held until

You should notify the Plan Administrator promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

U.S. Federal Income Tax Information

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually received them in cash. Any Discount on cash purchases and any Discount on dividend reinvestments is treated as a dividend to the shareholder. You will receive an annual statement from the Plan Administrator indicating the amount of reinvested dividends and Discounts reported to the U.S. Internal Revenue Service as dividend income. The statement will also reflect any trading fees paid by U. S. Steel on your behalf for purchases of shares.

You will not realize gain or loss for U.S. federal income tax purposes upon deposit of shares into the Plan or the withdrawal of whole shares from the Plan. You will, however, generally realize gain or loss upon the sale of shares (including the receipt of cash for fractional shares) held in the Plan.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Plan Administrator is required to withhold from dividends paid the appropriate amount determined in accordance with U.S. Treasury regulations. Any applicable withholding tax may be determined by treaty between the U.S. and the country in which such participant resides. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for the investment in additional common stock.

FOR FURTHER INFORMATION AS TO THE TAX CONSEQUENCES TO PARTICIPANTS IN THE PLAN, INCLUDING STATE, LOCAL AND FOREIGN TAX CONSEQUENCES, YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISOR(S). THE ABOVE DISCUSSION IS BASED ON FEDERAL INCOME TAX LAWS IN EFFECT AS OF THE DATE HEREOF. ALL PARTICIPANTS SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE IMPACT OF ANY FUTURE LEGISLATIVE PROPOSALS OR LEGISLATION ENACTED AFTER THE DATE OF THIS PROSPECTUS.

Miscellaneous

□

A proxy card will be mailed to you for all shares in your Plan account. Your shares will be voted as indicated by you. If you do not return the proxy card or if you return it unsigned, none of your shares will be voted.
