The Corporation

United States Steel Corporation
Savings Fund Plan for
Salaried Employees
Financial Statements and Supplemental Schedules
December 31, 2018 and 2017

Report of Independent Registered Public Accounting Firm

To the Administrator and Plan Participants of the
United States Steel Corporation Savings Fund Plan for Salaried Employees

Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of the United States Steel Corporation Savings Fund Plan for Salaried Employees (the "Plan") as of December 31, 2018 and 2017 and the related statement of changes in net assets available for benefits for the years then ended, including the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2018 and 2017, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits of these financial statements in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, including the assessment of the risk of
