
On July 28, 2022, United States Steel Corporation (the “Corporation”) posted to its website a presentation related to the Corporation’s financial results for the second quarter 2022.

In accordance with General Instruction B.2 of Form 8-K, the information contained in this Item 7.01 and the earnings presentation are being furnished under Item 7.01 of Form 8-K and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information and exhibits be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing. The earnings presentation is furnished with this current report on Form 8-K as Exhibit 99.1.

On July 29, 2022, the Corporation will conduct a conference call to discuss its results for the second quarter 2022.

(d) Exhibits:

Exhibit No.	Description
99.1	Second Quarter 2022 Earnings Presentation.
104	Cover Page Interactive Data File (embedded within the Inline XBRL document).

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Advocacy towards our Deaf and Hard of Hearing

Communication

Communication is the process of exchanging information, ideas, feelings, and experiences between two or more people. It is a fundamental part of human life and is essential for social interaction and personal growth.

Communication is a complex process that involves the use of language, symbols, and gestures to convey meaning. It is a dynamic and interactive process that is constantly evolving and changing.

Communication is a key component of human development and is essential for the formation of a healthy and functional society.
